CHOICE Critical Care

Choice Critical Care provides several medication dispensing systems (ie. Docu-Dose, Unit Dose, Blister Cards, and Medisets) to accommodate the specific needs of long term care facilities. Those facilities providing Infusion Services will find our skilled I.V. team provides extensive I.V. therapy overseen by our pharmacists and nursing staff to fulfill patient needs at home or in a long term care facility.

Contact us at 1-800-822-4408 to learn how Choice Critical Care can improve your facilities medication needs.

Dear HealthCare Provider or Patient,

This brochure is provided to acquaint you with our Healthcare Network. Since 1979, we have been honored to serve you, our medical community, health providers and patients.

Through our specialized pharmacies and home medical equipment company, Choice Healthcare, we are able to provide those healthcare products and services for today's patients.

Our dedicated staff of healthcare professionals are the cornerstone of our companies. This dedicated staff is there to assist you, your staff and patients whenever possible.

Again, thank you for taking the time to review this brochure and we hope you will share this information with your staff and patients.

Best of Health,

Andrew Altobelli, R.Ph.

P.S. Please clip out the business cards on this brochure for future reference.
